WHOLESALE ONLY • SOLD THROUGH WRECKER DEALERS & DISTRIBUTORS

JUMP STARTERS, BATTERY CHARGERS, POWER INVERTERS

#JNC660 Jump Starter

1700 Peak Amps

12 Volt Jump Starter

Built-in charger

Industrial-grade clamps

Clore PROFORMER battery technology

Voltmeter provides charge status of onboard battery

12 VDC outlet to power accessories

1 year limited warranty

#JNCAIR Jump Starter

1700 Peak Amps

425 Cranking Amps

Built-in charger

Industrial-grade Hot Jaw clamps

Clore PROFORMER battery technology

Voltmeter provides charge status of onboard battery

12 VDC outlet to power accessories

Automatic charging and 1 year limited warranty

#JNC950 12 Volt Jump Starter

2000 Peak Amps

925 Cranking Amps

Built-in automatic charger

Industrial-grade Hot Jaw clamps

Clore PROFORMER battery technology

Voltmeter provides charge status of onboard battery

12 VDC outlet to power accessories

1 year limited warranty

#JNC1224 12 & 24 V Jump Starter

3400 Peak Amps—12V

850 Cranking Amps—12V

Built-in automatic charger

Industrial-grade Hot Jaw clamps

Clore PROFORMER battery technology

Voltmeter provides charge status of onboard battery

46" #2 AWG welding cable leads

1 year limited warranty

#PL2310 Battery Charger

10/6/2A charge rates

Fully automatic operation

6 & 12 Volt battery charging

Properly charges all battery types

Advanced multi-phase charging process

Soft Start Mode for severely depleted batteries

Recondition Mode rejuvenates distressed batteries

Reverses Polarity and Battery Fault Detection

#PL2320 Battery Charger

20/10/2A charge rates

Fully automatic operation

6 & 12 Volt battery charging

Properly charges all battery types

Advanced multi-phase charging process

20A fast charge rate is ideal for charging large batteries

Temperature compensation for more effective charging

Data rich display provides detailed feedback during charging

#PI1500X Power Inverter

150 Watts continuous power

300 Watts peak power

1 AC outlet

1 USB outlet

Powered via 12 Volt adapter

Under/over voltage protection

Short circuit protection

1 year limited warranty

#PI10000X Power Inverter

1000 Watts continuous power

2000 Watts peak power

2 AC outlets

Mounting plate for fixed applications

Connection cable set optional

Under/over voltage protection

Short circuit protection

1 year limited warranty

#PI15000X Power Inverter

1500 Watts c. power

3000 Watts peak power

3 AC outlets

Power display

Mounting plate

Low Voltage Alarm

Low/over voltage shutdown

1 year limited warranty
